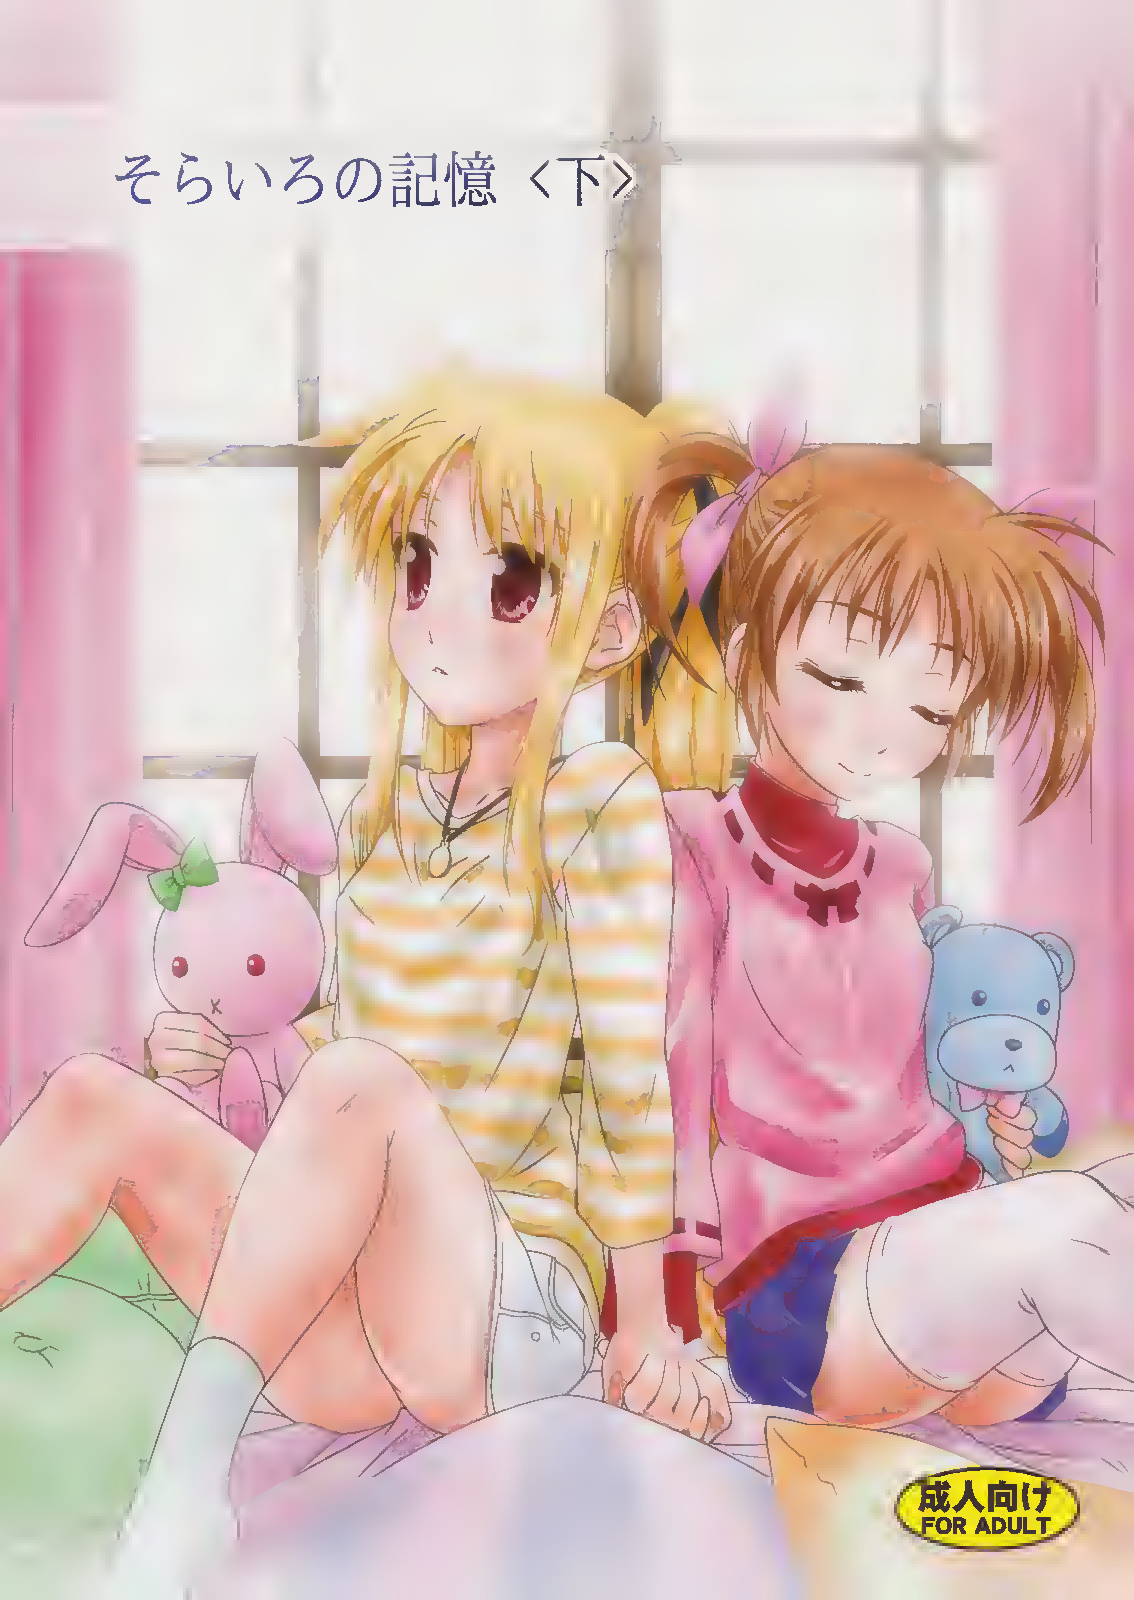
そらいろの記憶〈下〉



While Fate was captured in the book of darkness she met and parted with her little sister, shortly after they both met again.
A few months have passed since the book of darkness incident marked a new beginning in the life of Fate, as around that time Alicia appeared around her.
Alicia cannot be seen by anyone except for Fate, and even though Alicia caused Fate some distress once, they are still having plenty of fun in their daily lives.
However, she did not tell anyone about Alicia yet.

Ne, Alicia
Will they understand if I told them about you?
They can't see you.
They can't talk to you.
They can't meet or touch you.
Fate...
Surely... uhm...
Those who I get along with
Everyone ot school, Chrono ond the others from the bureau...
They will...

There is na way he won't find some-thing in the infinite library, right?
We can also ask Yuno!
The trigger was the boak af darkness so surely we can discuss this with Hayate and get mare insight to all af this!
Thats right!

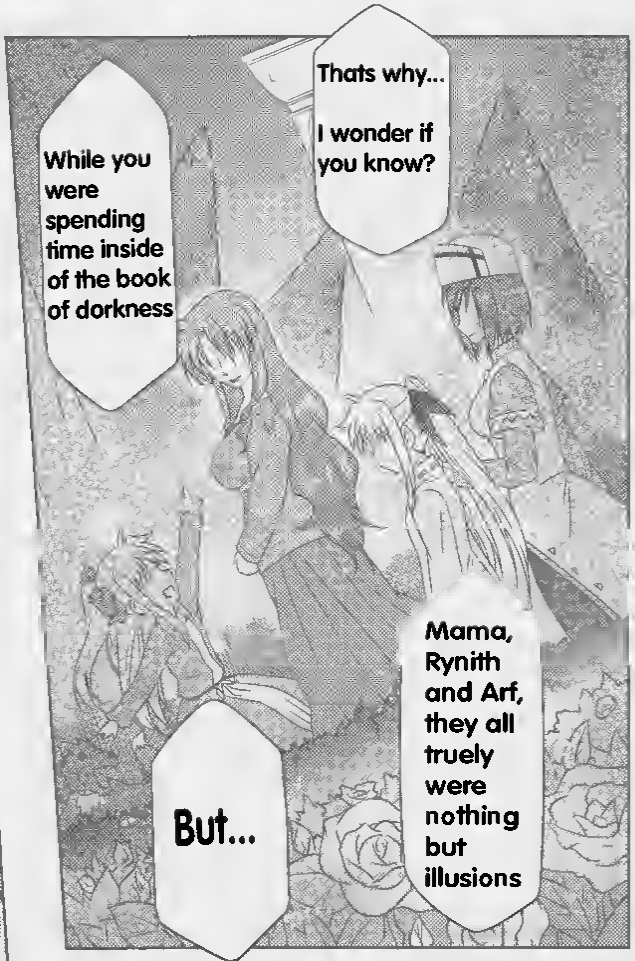
Hm, I wonder if this is a good time to begin
True, I wasn't able to use much strength lately
That uniform ...
Ah...
Everything ...
Is prepared!

Hey, do you remember thot time we took a bath?
I was able to do those things to you
And there was nothing you could do to stop me

……っ
ぴくっ

That's right
But I exist inside of you Fate.
I wos created with o conscious ond memory of my own
I am the real me!



Thats why...
I wonder if you know?
While you were spending time inside of the book of dorkness
Mama, Rynith and Arf, they all truely were nothing but illusions
But...

Mamas desire... My completion, I can now finally achieve it!
I will now force my consciouss into that body of yours!!
Now Fate, prepare to be locked up in the depths of my conscious mind!
Now it is time to...
!?

Make that body mine...!

Mou! I don't care! I'm sleeping!
Eeeeh?

Waaait!! What are you saying?
Shut up! Shut up!
I said I don't know!

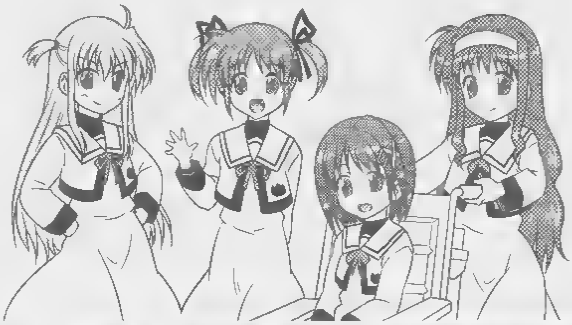
Yeah!
Good night!
Mou, because of that...
I missed my chance to tell her...

Telling everybody about Alicia...

That tomorrow I am planning on...



But why would I even doubt them?

I will tell them how things are

Might not get the reaction I hope for

Even if I...

I will get it right somehow ...

I shouldn't think too much about it

For sure

It will be alright

Yea.

I guess ... It's time...
すぅ

むにゅ…
すぅ…

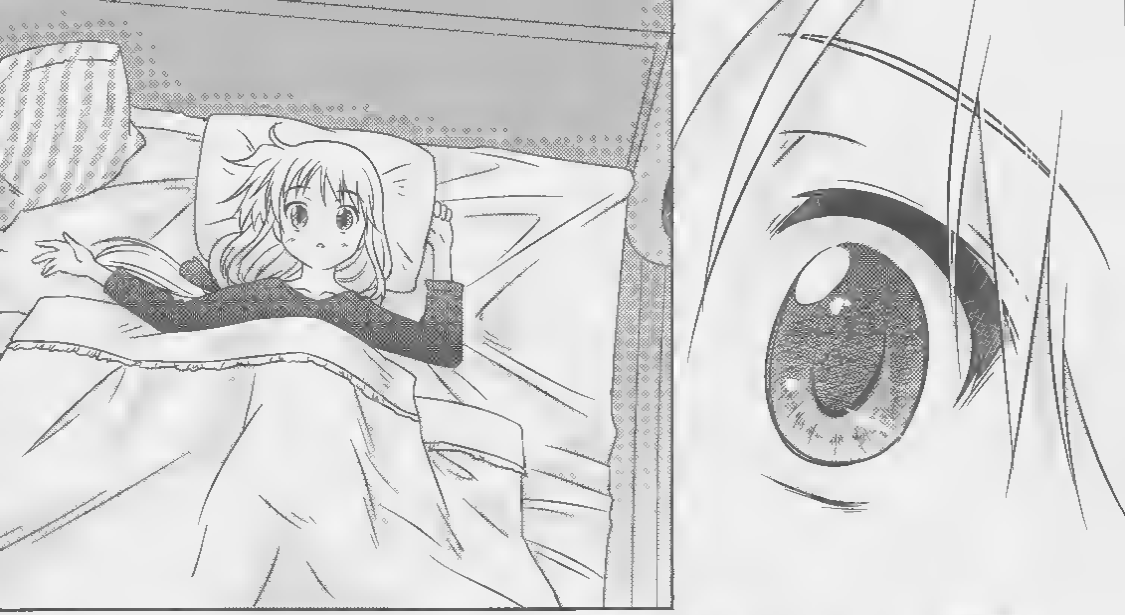
It has started, my core is returning to a fragment inside of Fate
Fate's magic itself is reclaiming what it had formed.
すとん、

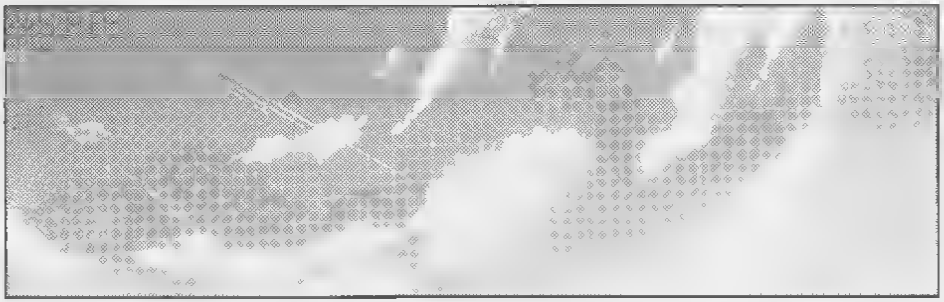
When I was fooling her...
Seriously, that girl why did believe that?
I got spoiled quite a bit here
I sure had a lot of fun
At first I actually thought about doing it for a second...
I guess thats just how it is
Right now Fate is definitely
A new beginning
Building herself
That's right because ...
But I changed my mind immediatley
I was an idiot for even considering it

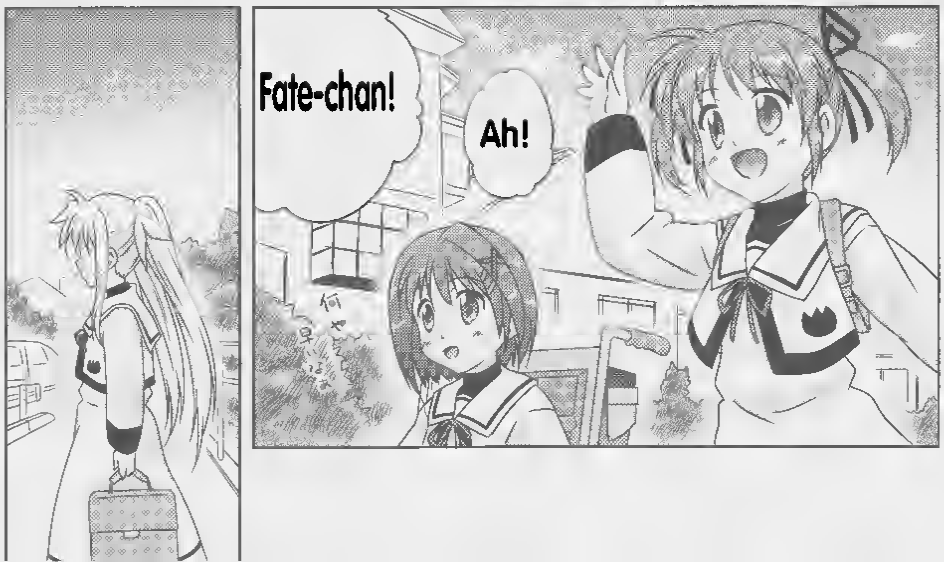
My strong and kind little sister...
I am sorry for the mean things I have done to you
This girl is certainly my little sister and yaur daughter
Hey, mama ...
She is aur preciaus family member...
This wind...
Huh?
Aah... It feels good...
It has Fate's scent in it...

I will always...

Without me...
Seems like yau'll have to read the sequel af that manga ...
Be it that warm feeling you gave me when you were around...
Or that strong heart af yaurs ...







Fate-chan!
Ah!

So that's what happened...
I see...
I... I wanted to talk to her a lot more ...

Fate-chan...
That is...
I...
This is so sudden...
I hoven't even considered that this might hoppen..
I couldn't even say goodbye to her properly...
I'm sure your sister would wont you to smile right?
Hey... Fate-chan
Ye..

Hayate ...
A...
Yeah!
Try it
And I can also still smile, even though I lost someone as well.
There is no way I can or would like to smile.
For now...
But... I'm sorry...

We will..
go to
the picnic...
for sure...
The uniform...
it suited you
very well...

どもども、しのづきです。皆さん映画もう観ましたか？
僕はこれ描いてる途中で観に行った訳ですが、正直観終わった時点で
「こんな漫画どうでもいいわー！」とほん投げそうになりました。
いいシーンいっぱいだった！(ノ∀`) しかしまあそこはぐっと堪え、何とか
完結と相成りました。読んでくれたひとありがとう！
早く入稿済ませて2回目観に行きたい！ アリシア可愛かったし！

という今回のお話。Tv版のA's、闇の書の中でフェイトがアリシアと会い
別れるくだりが発端にあります。最初あのシーンを見た時に、
あのアリシアが闇の書が作り上げた「ただの幻」だとすれば、その言葉はフェイトが
未来を向くきっかけとしてはちょっと軽いんじゃないかなーと思ってました。
偽モノ相手でも納得できるものかな？と。
でもその後PSPはBOAの「闇の書の残滓」騒動や映画のTsuを観たりして、
あのアリシアはただの幻なんかじゃなく、こういう事なのかなーという納得が
自分の中で出来て、そこからこの話が出来上がってゆきました。
ずっと何か描いてみたいと思ってたフェイトとアリシアが絡む話を
ようやく形に出来てけっこう満足しております。

ちうようなもんで。ここまで読んでくださってありがとうございました。
面倒でなければメールでも、HPの拍手から匿名でも全然OKなので
感想苦情何でも頂けますと嬉しいです。
次回作としてはC82のサークルカットに描いたなのはとヴィータのナデナデ大作戦(仮)が
いつか形になるんではないかと思いますので、ンマァ気長にお待ち頂けますと幸いです。

それでは、またお目見え頂けますよう精進してまいりますので
その機会が頂けましたならその時にお会いしましょう。(・ω・)ノシ
